BACKGROUND:

Firms collecting commercial garbage in unincorporated Seminole County are required to obtain Non-Exclusive Franchise Agreements for Commercial Solid Waste Collection Service (Commercial Franchise Agreement) from the County. In the Commercial Franchise Agreements, Section 2. Term, allows for the agreements to be “. . . renewed thereafter at the County’s option for successive periods not to exceed one (1) year each, unless terminated as provided herein; provided, however, that the agreement shall not be extended by renewal beyond September 30, 2009.” Staff is recommending renewal of the non-exclusive franchise agreement for a period of one (1) year. The renewal is for the period from October 1, 2007 to September 30, 2008. These firms submitted a timely franchise renewal application and application fees in September 2007. Staff has been working with the firms to assure that any outstanding administrative issues, including insurance concerns, were resolved before the franchise was placed before the Board of County Commissioners for renewal. The above listed firms have provided complete and satisfactory Commercial Franchise Agreement renewal information to the County.

To provide additional background information on this item, a copy of each firms' Exhibit “C” Seminole County Non-Exclusive Commercial Franchise Holder Application / Annual Renewal and Update submittal is attached. Also, a copy of Republic Services' original Non-Exclusive Franchise Agreement for Commercial Solid Waste Collection Service and a copy of its Amendment to Non-Exclusive Franchise Agreement for Commercial Solid Waste Collection Service are attached.

STAFF RECOMMENDATION:

Staff recommends Board approval for renewal of the Non-Exclusive Franchise Agreement for Commercial Solid Waste Collection Services for a period from October 1, 2007 to September 30, 2008, for the following companies: Republic Services of Florida, LP, Veolia ES Solid Waste Southeast, Inc., Waste Management, Inc. of Florida, Waste Services of Florida, Inc.

days and [b] that it is proceeding with diligence to cure said default and such default will be cured within a reasonable period of time).

(2) Contractor shall take the benefit of any present or future insolvency statute or shall make a general assignment for the benefit of creditors or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement for its reorganization or the readjustment of its indebtedness under the Federal bankruptcy laws or under any other law or state of the United States or any state thereof, or consent to the appointment of a receiver trustee or liquidator of all or substantially all of its assets; or

(4) By or pursuant to or under authority of any legislative act, resolution or rule or any order or decree of any Court or governmental board, agency or officer having jurisdiction, a receiver, trustee or liquidator shall take possession or control of all or substantially all of the assets of the Contractor and such possession or control shall continue in effect for a period of sixty (60) days; or

(b) Conditions beyond the control of the Contractor are not conditions of default including riots, acts of God, war, governmental laws, regulations or restrictions.

The following formula shall be used to calculate the amount to be paid the County:

$$2 \times (TT-AD) \times TF = AO$$

In this formula, (TT) is the total amount (tonnage) of commercial solid waste that should have been delivered to the Designated Facility during the year, (AD) is the amount of commercial solid waste that the Contractor delivered to the Designated Disposal Facility during the year, (TF) is the average tipping fee that the County charged during the year for the disposal of Solid Waste at the Designated Disposal Facility, and (AO) is the amount due the Contractor to the County. The amount owed the County shall be two (2) times the value of the waste delivery shortfall calculation.

Upon execution of this Agreement and annually thereafter, the Contractor shall provide to County and maintain a list of the equipment assigned by the Contractor to provide Services under this Agreement. Each Container or Garbage Cart provided by the Contractor must be in good condition and properly maintained. Each Container provided by the Contractor shall be labeled on two (2) sides with the Contractor's name and telephone number in letters and numbers that are plainly visible and at least twelve (12) inches in size. Containers or Carts used for Recycling or Yard Waste Collection shall be clearly labeled for identification, education and enforcement purposes.

Nothing contained in this Agreement shall require any party to perform any act or function contrary to law. The County and the Contractor agree to enter into good faith negotiations regarding modifications to this Agreement which may be required in order to implement changes in the interest of the public welfare or due to changes in law which changes the scope of services. When such modifications are made to this Agreement, the County and the Contractor shall negotiate in good faith, other obligations required of the Contractor due to any modification in the Agreement under this Section.

Section 32. Independence of Agreement.
