

**SEMINOLE COUNTY GOVERNMENT
AGENDA MEMORANDUM**

SUBJECT: Certificate of Public Convenience and Necessity

DEPARTMENT: Environmental Services **DIVISION:** Solid Waste Management

AUTHORIZED BY: Andrew Neff **CONTACT:** William (Johnny) Edwards **EXT:** 2253

MOTION/RECOMMENDATION:

Approve and authorize the Chairman to execute a Certificate of Public Convenience and Necessity for the following companies: Coniglio Construction, Inc., EQ Florida, Inc., Orlando Waste Paper Company, Inc., PCM Construction Services, LLC, SP Recycling Corp.

County-wide

William (Johnny) Edwards

BACKGROUND:

Chapter 235 of the Seminole County Code authorizes the Board to regulate the collection and disposal of waste within the unincorporated County. The above companies have complied with the requirements as set forth in the Seminole County Code and have requested a Certificate of Public Convenience and Necessity (COPCN) from Seminole County to perform commercial collection services of waste and/or recyclables in the unincorporated areas of Seminole County. These firms have submitted applications indicating that they only provide Construction and Demolition (C&D) Debris collection services, Special Waste collection services, or Recyclables collection services. Staff has verified this information through follow up investigation (including telephone contact). These firms have provided insurance information that complies with Chapter 235 of the Seminole County Code, and insurance has been reviewed and approved by Risk Management. Firms that collect only C&D Debris, Special Wastes, or Recyclables are not required to obtain a non-exclusive commercial solid waste collection franchise. These firms are required to obtain a COPCN.

STAFF RECOMMENDATION:

Staff recommends that the Board approve and authorize the Chairman to execute a Certificate of Public Convenience and Necessity for the following companies: Coniglio Construction, Inc., EQ Florida, Inc., Orlando Waste Paper Company, Inc., PCM Construction Services, LLC, SP Recycling Corp.
