Section #2 Project Overview

General Project Information

Project Title: SEMINOLE COUNTY JUVENILE ASSESSMENT CENTER
Subgrant Recipient: Seminole County Board of Commissioners
Implementing Agency: Seminole County Sheriff's Office
Project Start Date: 10/1/2009 **End Date:** 9/30/2010

Problem Identification

The Seminole County Juvenile Assessment Center (JAC) has been utilized by all law enforcement agencies in Seminole County since 1997. It is a vital service in the community as it reduces law enforcement time devoted to juveniles, creates a central booking and receiving facility specifically for juvenile offenders, expedites processing of juveniles through the system, collects good clear information about juveniles' needs, accelerates juveniles' access to treatment, pools resources from different agencies, develops a single point of entry for assessing and referring juveniles, facilitates cooperation and communication among the agencies.

The chart below identifies the number and percentage of the juveniles that were brought to the JAC for the calendar year 2008.

AGENCY	ARRESTS	TRUANTS	RUNAWAYS
Altamonte Springs Police Dept.	378(11%)	55(14%)	14(8%)
Casselberry Police Department	79 (2%)	7 (2%)	10 (6%)
Lake Mary Police Department	40 (1%)	2 (.5%)	6 (4%)
Longwood Police Department	76 (2%)	41 (11%)	7 (4%)
Oviedo Police Department	167 (5%)	37 (10%)	5 (3%)
Sanford Police Department	592 (18%)	57 (15%)	51 (31%)
Seminole Co. Sheriffs Office	1849 (55%)	169 (43%)	67 (41%)
Winter Springs Police Dept.	175 (5%)	18 (5%)	5 (3%)

In January 2008, Florida's voters passed Amendment 1, a measure aimed at reducing property taxes. The impact of mandated property tax reform, coupled with current economic conditions brought about a dramatic decrease in major revenue sources in State and local government. In Seminole County property tax reform and other revenue resource losses resulted in more than $67 million, or 14%. In the midst of budgetary constraints the State Department of Juvenile Justice reduced its funding allocation for the Seminole County JAC by more then 50%. The realities of these economic conditions have become a challenge for the County and Sheriff's Office budgets and current sustainability of delivery of services. In its effort to seek all avenues for continued funding for JAC services in Seminole County the SCSO is seeking this grant to restore loss of Department of Juvenile Justice revenues to administer services at the Seminole County Juvenile Assessment Center (JAC).

Project Summary

Funding from this grant will assist with salary and fringe of employees responsible for the operations of the control booth at the JAC. Control booth operators manage the automated security locking mechanism for the delinquency processing area; provide continuous surveillance of the facility utilizing security camera and voice monitoring systems; provide for the reception of visitors and parents entering the non-secure

portion of the facility; and generally supporting the intake, processing and supervision activities of the case management functions, as well as, other co-located agencies.

"Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith based organizations may, in some circumstances, consider religion as a basis for employment. See http://www.ojp.gov/about/ocr/equal_fbo.htm.

Section #2 Project Overview

General Project Information

Project Title: SEMINOLE COUNTY MULTI AGENCY GANG TASK FORCE

Subgrant Recipient: Seminole County Board of Commissioners

Implementing Agency: Seminole County Sheriff's Office

Project Start Date: 10/1/2009 **End Date:** 9/30/2010

Problem Identification

There is demonstrated street gang activity operating in all areas of Seminole County. Currently 10 active street gangs operating in Seminole County are documented by state statute. Those numbers are believed to be a minor representation of actual gang activity in the county. Another area that affects public safety and the fear of crime in our community is repeat juvenile offenders. Law enforcement agencies in Seminole County are finding a common thread between juvenile repeat offenders, violence, and gang association. The Sheriff?s Office and Law enforcement agencies in Seminole County have begun to attack this emerging problem affecting the safety of our community by coming together via a Multi Agency Gang Task Force (MAGTF) to enhance law enforcement investigation, apprehension, and ultimately successful prosecution of offenders related to criminal street gang activity. This partnership and collaboration among the Seminole County Sheriff?s Office the seven police departments and other interested partners allows for a proactive approach for the interdiction of gang activity throughout Seminole County.

Project Summary

Initiatives such as MAGTF can become a financial strain for most Criminal Justice agencies due to the equipment, manpower, facilities, and resources required to furnish such services. In order to assist with this initiative the SCSO is requesting funding from this grant to fund supplies and criminal justice staff overtime associated with the preparation and execution of multi agency enforcement initiatives targeting gang activity, violence, and repeat juvenile offenders in Seminole County.
