
**SEMINOLE COUNTY GOVERNMENT
AGENDA MEMORANDUM**

SUBJECT: Seminole County and City of Sanford Solid Waste Management Agreement

DEPARTMENT: Environmental Services

DIVISION: Solid Waste Management

AUTHORIZED BY: Joe Forte

CONTACT: William (Johnny) Edwards

EXT: 2253

MOTION/RECOMMENDATION:

Approve and authorize the Chairman to execute the Seminole County and City of Sanford Solid Waste Management Agreement.

County-wide

William (Johnny) Edwards

BACKGROUND:

Staff has been working to update the Solid Waste Management Interlocal Agreements with each of the municipalities in Seminole County. The initial Solid Waste Management Interlocal Agreement was entered into in 1989, and subsequently revised in 1994. Updated Agreements have been executed with the cities of Lake Mary, Oviedo, Altamonte Springs, Casselberry and Winter Springs, respectively. The Sanford City Commission (City) approved this Agreement on April 13, 2009.

Pursuant to this Agreement, the City will direct its contractor to deliver all residential and commercial solid waste collected in the City to County designated facilities. In return, the County will provide a discount of three dollars (\$3.00) per ton to the City. Additionally, the City will direct its contractors to deliver all residential recyclables to County facilities. In exchange for the recyclables, currently not received at County facilities, the County will share recycling revenue as it does with its other Interlocal Agreement partners. The County will continue to offer added benefits and services to City and County residents and businesses. The term of the Agreement is for five (5) years with automatic one (1) year renewal periods thereafter, unless terminated by either party with ninety (90) days prior written notice. Commitments of the City include:

- Delivery of all residential and commercial solid waste and residential recyclables collected by the City's contractor to County designated facilities.

Service commitments of the County include:

- Operation and maintenance of County disposal facilities to provide adequate disposal capacity for the City's needs.
- Continuation of the current tip fee through September 30, 2009, with annual CPI adjustments allowed annually thereafter (unless changes in law require tip fee changes).
- Assurance that the City is provided the same tip fee charged to any municipal customer.

- The County will share revenues from its recycling contract with the City.
- Continued availability of the County disposal facilities to City residents.
- Continued operation of periodic tire amnesty days providing residents free tire disposal.
- Continued operation of the household hazardous waste collection program.
- Continued operation of periodic off-site household hazardous waste amnesty days.
- Continued operation of public used oil collection centers.
- Continued operation of the sharps disposal program (this program provides free medical needle disposal for residents).
- Continued operation of County-wide hazardous waste inspections pursuant to Section 403.7225 (11), Florida Statutes.
- Continued cooperation on environmental management issues.

This Agreement reflects a commitment by the City and County to cooperate on solid waste management issues.

STAFF RECOMMENDATION:

Staff recommends that the Board approve and authorize the Chairman to execute Seminole County and City of Sanford Solid Waste Management Agreement.

**SEMINOLE COUNTY AND CITY OF SANFORD
SOLID WASTE MANAGEMENT AGREEMENT**

THIS AGREEMENT, made and entered into this _____ day of _____, 2009, by and between **SEMINOLE COUNTY**, a political subdivision of the State of Florida, whose address is Seminole County Services Building, 1101 East First Street, Sanford, Florida 32771, hereinafter referred to as "COUNTY", and the **CITY OF SANFORD**, a Florida municipal corporation, whose address is 300 North Park Avenue, Sanford, Florida 32771, hereinafter referred to as "CITY".

W I T N E S S E T H:

WHEREAS, Chapter 403, Part IV, Florida Statutes, delegates the responsibility for providing solid waste disposal facilities to counties; and

WHEREAS, landfilling is the primary method of solid waste disposal in Seminole County, Florida; and

WHEREAS, on September 28, 1994, the COUNTY and CITY entered into a Solid Waste Management Interlocal Agreement and the parties now desire to terminate said Interlocal Agreement and enter into a new agreement which shall wholly and completely supersede said Interlocal Agreement; and

WHEREAS, the CITY provides for collection and disposal of solid waste from the residents and businesses located within its geographic boundaries and the CITY recognizes the need for safe and sanitary processing and disposal of solid waste; and

WHEREAS, the CITY desires to participate in a coordinated County-wide program for the management of solid waste and control of solid

waste processing and disposal in compliance with Federal, State and local regulations to prevent, control and abate air, water and ground pollution; and

WHEREAS, the CITY and the COUNTY recognize the need to plan and develop an adequate solid waste system to benefit all residents of Seminole County, Florida; and

WHEREAS, the CITY and the COUNTY recognize the importance of environmentally responsible solid waste disposal capacity; and

WHEREAS, the CITY recognizes that the COUNTY's infrastructure provides for the construction, operation, repair and maintenance of COUNTY solid waste disposal facilities, and that this infrastructure was established, and is available, for the use and betterment of all municipalities within the COUNTY; and

WHEREAS, the CITY recognizes that the cost of existing disposal infrastructure is solely supported by the COUNTY's Solid Waste Management Division revenues; and

WHEREAS, Chapter 403, Part IV, Florida Statutes, encourages counties to enter into interlocal agreements with municipalities for cooperative solid waste management, including establishing recycling programs and pursue recycling activities to reduce the impact of solid waste disposal on landfills; and

WHEREAS, the CITY desires to cooperate with the COUNTY toward achievement and maintenance of the State of Florida's recycling goal and compliance with Chapter 403, Part IV, Florida Statutes,

NOW, THEREFORE, in consideration of the mutual covenants and promises by and between the parties hereto, and for the mutual benefit

of the CITY and COUNTY and their respective citizens, the parties agree, as follows:

SECTION 1. RECITALS. The above recitals are true and correct and form a material part of this Agreement upon which the parties have relied.

SECTION 2. DEFINITIONS. The following definitions apply to this Agreement:

(a) **Agreement:** Shall mean this written document and all amendments to it.

(b) **Biological Waste:** Shall mean any solid waste that causes or has the capability of causing disease or infection and includes biomedical waste, animals which died from disease, and other wastes capable of transmitting pathogens to humans or animals.

(c) **Biomedical Waste:** Shall mean any solid waste or liquid waste which may present a threat of infection to humans. The term includes, but is not limited to, non-liquid human tissue and body parts; laboratory and veterinary waste which contain human-disease-causing agents; discarded disposable sharps; human blood, human blood products and body fluids; and other materials which in the opinion of the State of Florida Department of Health represents a significant risk of infection to persons outside the generating facility.

(d) **Bulky Waste:** Shall mean any item whose large size or weight precludes or complicates its handling by normal collection, processing, or disposal methods.

(e) **CITY:** Shall mean the City of Sanford.

(f) **Contractor:** Shall mean any person, firm or company that has entered or will enter into an agreement with the COUNTY or CITY for solid waste, recycling, or yard waste collection and disposal services.

(g) **Construction and Demolition Debris (C&D):** Shall mean discarded materials generally considered to be non-water soluble and non-hazardous in nature including, but not limited to, steel, glass, brick, concrete, asphalt material, pipe, gypsum wallboard and lumber from the construction or destruction of a structure as part of a construction or demolition project. The term includes rocks, soils, tree remains, trees, and other vegetative matter which normally results from land clearing or land development operations for a construction project and clean cardboard, paper, plastic, wood, or metal scraps from a construction project.

(h) **COUNTY:** Shall mean Seminole County, Florida, a political subdivision of the State of Florida.

(i) **Designated Facility:** Shall mean the disposal facility(ies) designated by the COUNTY for receiving solid waste, yard waste, white goods, bulky waste or residential recyclable material under this Agreement within the solid waste management system. The Designated Facilities pursuant to this Agreement are specified in Exhibit "A", attached hereto and incorporated herein.

(j) **Disposal Fees:** Shall mean the rates charged for disposal or processing of items at the Designated Facilities. The Disposal Fees pursuant to this Agreement are specified in Exhibit "B", attached hereto and incorporated herein.

(k) **Garbage:** Shall mean all kitchen and table food waste and animal or vegetative waste that is attendant with or results from the storage, preparation, cooking, or handling of food materials.

(l) **Hazardous Waste:** Shall mean solid waste which, because of its quantity, concentration or physical, chemical or infectious characteristics, may cause, or significantly contribute to, an increase in mortality or an increase in serious irreversible or incapacitating reversible illness or may pose a substantial present or potential hazard to human health or the environment when improperly transported, disposed of, stored, treated or otherwise managed.

(m) **Household Waste:** Shall mean any solid waste, including garbage, trash and sanitary waste in septic tanks, derived from households including, but not limited to, single and multiple residences, hotels and motels, bunkhouses, ranger stations, crew quarters, campgrounds, picnic grounds, and day use recreation areas.

(n) **Municipal Customer:** Shall mean a municipality that collects refuse and delivers the collected refuse in collection vehicles to a COUNTY facility, or a municipality that contracts for the collection of refuse and contracts with its contractor to deliver the collected refuse in collection vehicles to a COUNTY facility.

(o) **Recyclable Material:** Shall mean material capable of being recycled under the COUNTY's Recycling Program and which would otherwise be processed or disposed of as solid waste. Recyclable Material includes newspapers (including inserts), magazines and catalogs, clear, green and brown glass bottles and jars, plastic bottles (Nos. 1-7), aluminum and steel cans (including empty aerosol

cans) which are collected from curbside recycling programs. Recyclable Material also includes telephone books, corrugated cardboard, brown paper grocery bags and pasteboard, including but not limited to, cereal, soda and tissue boxes.

(p) **Resident:** Shall mean a person whose domicile is within the boundaries of the CITY or the unincorporated COUNTY.

(q) **Residential Waste:** Household refuse generated from the domestic activities of a resident's domicile. Residential waste does not include refuse generated from commercial activities in a domicile or commercial waste brought to a domicile.

(r) **Recycling:** Shall mean any process by which solid waste, or materials which would have otherwise become solid waste, are collected, separated or processed and reused or returned to use in the form of raw materials or products.

(s) **Solid Waste:** Shall mean sludge unregulated under the Federal Clean Water Act or Federal Clean Air Act; sludge from a waste treatment works, water supply treatment plant or air pollution control facility; or garbage, rubbish, refuse, special waste, or other discarded material including solid, liquid or semi-solid, or contained gaseous material resulting from domestic, industrial, commercial, mining, agricultural or governmental operations.

(t) **Special Waste:** Shall mean those wastes requiring special handling and management including, but not limited to, white goods, waste tires, used oil, lead acid batteries, construction and demolition debris, ash residue, yard waste, biological wastes, and mercury containing devices or lamps.

(u) **White Goods:** Shall mean inoperative and discarded refrigerators, ranges, washers, water heaters, freezers and other similar domestic and commercial large appliances.

(v) **Yard Waste:** Shall mean vegetative matter resulting from landscaping maintenance or land clearing operations and includes materials such as tree and shrub trimmings, grass clippings, palm fronds, trees and tree stumps.

SECTION 3. COUNTY RESPONSIBILITIES.

(a) The COUNTY agrees to maintain its disposal facilities to ensure adequate capacity for all of the CITY's solid waste disposal and to operate in accordance with all applicable local, State and Federal environmental regulations.

(b) The COUNTY agrees to make its disposal facilities available to the CITY, the residents of the CITY, and the CITY's residential and commercial collection contractor(s) for the Disposal Fees specified in Exhibit "B" at the Designated Facilities for solid waste, yard waste and recyclable material generated from residential and commercial sources. In the unlikely event the Designated Facilities are unable to receive material, the COUNTY and CITY mutually agree to temporarily direct disposal to a mutually agreed upon facility.

(c) The COUNTY agrees to charge the CITY the lowest Disposal Fees charged to any Customer.

(d) The COUNTY may increase or decrease these fees at any time with ninety (90) days written notice to the CITY as set forth herein. The COUNTY agrees to maintain reasonable Disposal Fees as set by the Board of County Commissioners and established by resolution. Fee

increases or decreases shall be consistent with the reasonable costs required to operate and maintain the COUNTY's solid waste management system, giving consideration to the following:

(1) The initial Disposal Fee schedule shall remain in effect until September 30, 2009. On October 1, 2009, and annually thereafter, as established by resolution of the Board of County Commissioners, the COUNTY may increase or decrease disposal charges and recycling processing charges by a rate equal to the increase or decrease in the Consumer Price Index - All Urban Consumers (CPI-U). The County shall provide to the City a written explanation with ninety (90) days written notice, of any CPI-U fee increase or decrease. If the CITY chooses not to accept the CPI-U fee increase or decrease proposed by the COUNTY, the CITY may terminate this Agreement with ninety (90) days written notice to the COUNTY. Subsequent rate determination periods shall be from the date the most recent rate was set to the date the new fee schedule is proposed. CPI price increases or decreases will take effect on or after October 1 annually; and

(2) Disposal Fee increases or decreases directly attributable to changes in law including mandates imposed by Federal and State regulatory agencies shall not be limited by the CPI. The COUNTY shall promptly notify the CITY of any impending or anticipated increases or decreases directly attributable to changes in law, including mandates. The COUNTY shall provide to the CITY a written explanation of the fee increase or decrease attributable to a change in law. The increase or decrease in the Disposal Fee shall take effect after the COUNTY gives ninety (90) days written notice to the

CITY that said increase or decrease is required. If the CITY chooses not to accept the Disposal Fee increase or decrease proposed by the COUNTY, the CITY may terminate this Agreement with ninety (90) days written notice to the COUNTY; and

(3) The COUNTY may initiate non-CPI Disposal Fee increases or decreases beyond the CPI for reasons other than changes in law. The COUNTY shall provide to the CITY a written explanation of any non-CPI Disposal Fee increase or decrease proposed by the COUNTY. If the CITY chooses not to accept the non-CPI Disposal Fee increase proposed by the COUNTY, the CITY may terminate this Agreement with ninety (90) days written notice to the COUNTY.

(e) The COUNTY agrees to pay CITY Environmental Administrative and Recycling Shares for commercial solid waste and residential solid waste, yard waste and recyclable materials, respectively as set forth in Exhibit "B". Payment shall be tendered to CITY within thirty (30) days of receipt of said Shares by the COUNTY.

(f) The COUNTY agrees to maintain and provide services to the CITY as outlined herein:

(1) Tire Amnesty Days, held periodically each year at the Designated Facilities, at which there shall be no charge to CITY residents for the disposal of tires generated from their residential property.

(2) Household Hazardous Waste Disposal. There shall be no charge to CITY residents for the disposal of household hazardous waste generated from their residential property when delivered to the Designated Facilities.

(3) Household Hazardous Waste Amnesty Day(s), held in various locations, at which there shall be no charge to CITY residents for the disposal of hazardous waste generated from their residential property.

(4) Used Oil Collection Centers, at which there shall be no charge to CITY residents for the disposal of used motor oil generated from their residential property.

(5) Sharps Disposal Program, at which there shall be no charge to CITY residents requiring the use of medical sharps, needles or lancets, for sharps containers and the disposal of the sharps generated from their personal use. The Sharps Disposal containers shall be available at fire stations, Health Department locations, and the Designated Facilities.

(6) Inspections shall be provided to businesses generating small quantities of hazardous waste at no charge to the business owner in compliance with Section 403.7225(11), Florida Statutes. These inspections shall assess, notify and verify potential and known generators generating less than 2,200 pounds of hazardous waste in a calendar month. Section 403.7234, Florida Statutes, requires that each county notify known and potential small quantity generators of their legal responsibilities regarding proper waste management practices, and provide a list of available hazardous waste management alternatives.

(7) Hazardous Material Spill Response Coordination. The COUNTY's Environmental Compliance Assistance and Pollution Prevention Programs (ECAP3) Team will be available to the CITY to provide

assistance and technical direction in responding to situations involving hazardous material spills.

(8) Environmental education shall be provided to include, but not be limited to, hazardous waste, pollution and litter prevention, recycling and waste reduction at schools, special events, Designated Facilities, businesses, civic and homeowner association meetings.

(9) Environmental monitoring shall be provided to ensure the Designated Facilities and solid waste management facilities remain in compliance with all local, State and Federal regulations.

(10) Environmental investigation and enforcement cooperation shall be provided. The COUNTY'S ECAP3 Team will continue to coordinate Environmental Task Force meetings where local agencies can coordinate on environmental crimes initiatives.

(11) Conditionally Exempt Small Quantity Generator Business Collection Events, held periodically, at a Designated Facility or various sites, at which the COUNTY shall extend its contracted disposal rate for disposal of hazardous waste generated at business (businesses must meet Federal and State regulations concerning hazardous waste management and transport).

(12) Disaster Recovery. The COUNTY shall work to cooperatively respond with the CITY for the collection and management of debris management during disaster recovery efforts. The COUNTY'S contract for debris management is available for the CITY to "piggy-back" a contract for services.

(13) Recycling Centers, at the Designated Facilities, shall be available at no charge for CITY residents and businesses to deliver recyclable materials generated from their residential or commercial property.

(14) The COUNTY agrees to cooperate with the CITY on any solid waste management grant programs.

(15) The COUNTY agrees to cooperate with the CITY to provide all necessary information to the CITY to determine if the CITY is meeting the State recycling goal and the requirements of Chapter 403, Part IV, Florida Statutes.

(16) The COUNTY agrees to cooperate with the CITY to provide all necessary information to the CITY so that the COUNTY and CITY can determine the quantity of the CITY's solid waste and recyclable material being delivered to the Designated Facilities.

(17) The COUNTY agrees to meet at least annually with the CITY at the staff level to discuss the status of this Agreement.

SECTION 4. CITY RESPONSIBILITIES.

(a) The CITY agrees that all commercial solid waste and residential solid waste, yard waste and recyclable materials deemed suitable for processing and disposal collected by or on behalf of the CITY shall be disposed of at the Designated Facilities, as set forth in Exhibit "A".

(b) The CITY agrees to cooperate with the COUNTY to provide all necessary information to the COUNTY so that the CITY and the COUNTY can determine the quantity of the CITY's solid waste and recyclable material being delivered to the Designated Facilities.

(c) The CITY agrees to collect or enter into a collection contract with a CITY contractor for residential recyclable materials consistent with recyclables materials accepted and managed by the COUNTY.

(d) The CITY agrees to ensure disposal of all commercial solid waste and residential solid waste, yard waste and recyclable materials at the Designated Facilities as set forth in Exhibit "A", by requiring disposal through its existing solid waste, yard waste and recyclable materials collection agreements, if any.

(e) The CITY agrees to include language directing that commercial solid waste be disposed of at the Designated Facilities set forth in Exhibit "A" in its commercial solid waste franchise agreements, if any.

(f) The CITY agrees that as long as this Agreement is in effect and, unless such activity constitutes a violation of any Federal anti-trust law, it shall not construct, acquire, operate, or permit any Solid Waste Management Facility, as defined by Rule 62-701.200(118), Florida Administrative Code (F.A.C.), or its successor, except for any existing facility that is currently permitted by the CITY and the Florida Department of Environmental Protection as of the effective date of this Agreement. The CITY agrees that existing facilities, if any, shall be operated primarily as recycling facilities of solid waste with only the transfer of residual or bypass materials allowed. The CITY agrees to monitor and enforce this provision and further agrees that existing facilities shall not be operated solely as transfer stations.

(g) The CITY agrees to cooperate with the COUNTY to provide all necessary information to the COUNTY to determine if the COUNTY is meeting the State recycling goal and the requirements of Chapter 403, Part IV, Florida Statutes.

(h) The CITY agrees to cooperate with the COUNTY on any solid waste management grant programs.

(i) The CITY shall direct the CITY's contractor to operate residential and commercial solid waste collection routes in a manner that will ensure the delivery of discrete loads comprised solely of CITY generated solid waste and yard waste to the Designated Facilities. The CITY and the CITY's contractor shall provide sufficient truck and route information so that the COUNTY and the CITY can track and monitor the quantity of residential and commercial solid waste and residential yard waste delivered by the CITY or the CITY's contractor to the Designated Facilities.

(j) The CITY or the CITY's contractor shall operate residential recyclable collection routes in a manner that will ensure the delivery of discrete loads comprised solely of residential recyclables to COUNTY facilities. The CITY or the CITY's contractor shall provide sufficient truck and route information so that the COUNTY and the CITY can track and monitor the quantity of residential recyclables delivered by the CITY or the CITY's contractor to COUNTY facilities.

SECTION 5. EFFECTIVE DATE. This Agreement shall become effective on the date hereinabove and remain in full force and effect for five (5) years and shall automatically be renewed annually thereafter unless terminated earlier by either mutual agreement or by ninety (90)

days prior written notice provided, as set forth hereunder, by one party to the other party on or before the annual renewal date.

SECTION 6. INDEMNIFICATION.

(a) Each party to this Agreement is responsible for all personal injury and property damage attributable to the negligent acts or omissions arising out of this Agreement of that party and the officers, employees and agents thereof.

(b) The parties further agree that nothing contained herein shall be construed or interpreted as denying to any party any remedy or defense available to such parties under the laws of the State of Florida, nor as a waiver of sovereign immunity of the parties beyond the waiver provided for in Section 768.28, Florida Statutes, whether sounding in tort or contract.

(c) The waiver of a provision herein by either party shall not constitute the further continuing waiver of said provision or the waiver of any other provision.

SECTION 7. FORCE MAJEURE. In the event that performance by the COUNTY or CITY of any of their responsibilities under this Agreement shall be interrupted, delayed, or prevented by an occurrence not occasioned by the conduct of such party, whether such occurrence be an act of God or any other occurrence whatsoever that is beyond the reasonable control of such party including, but not limited to, a change in environmental law or regulation rendering performance impractical or impossible, then such party shall be excused from such performance for such period of time as is reasonably necessary after

the occurrence to remedy the effects thereof, or until such performance is no longer impractical or impossible.

SECTION 8. NOTICES. Whenever either party desires to give notice unto the other, it must be given by written notice, sent by certified United States mail, with return receipt requested, addressed to the party for whom it is intended at the place last specified and the place for giving of notice shall remain such until it shall have been changed by written notice in compliance with the provisions of this Section. For the present, the parties designate the following as the respective places for giving of notice, to wit:

For COUNTY:

County Manager
Seminole County
1101 East First Street
Sanford, FL 32771

For CITY:

Director, Department of Public Works
City of Sanford
300 North Park Avenue
Sanford, FL 32771

With a copy to:

Solid Waste Manager
City of Sanford
300 North Park Avenue
Sanford, FL 32771

SECTION 9. MODIFICATIONS, AMENDMENTS OR ALTERATIONS. No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed with the same formality and of equal dignity herewith.

SECTION 10. BINDING EFFECT. This Agreement shall be binding upon and inure to the benefit of the parties hereto and the successors in interest, transferees and assigns of the parties.

SECTION 11. ASSIGNMENT. This Agreement shall not be assigned by either party without the prior written approval of the other.

SECTION 12. PUBLIC RECORDS LAW. The parties acknowledge their obligations under Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, to release public records to members of the public upon request. The parties agree to comply with Article 1, Section 24, Florida Constitution and Chapter 119, Florida Statutes, in the handling of the materials created under this Agreement and that said statute controls over the terms of this Agreement.

SECTION 13. DISCLAIMER OF THIRD PARTY BENEFICIARIES. This Agreement is made for the sole benefit of the parties hereto and their respective successors and assigns and is not intended to and shall not benefit any third party. No third party shall have any rights hereunder or as a result of this Agreement or any right to enforce any provisions of this Agreement.

SECTION 14. TIME OF THE ESSENCE. Time is of the essence relative to all aspects of performance under the terms of this Agreement.

SECTION 15. COMPLIANCE WITH LAWS AND REGULATIONS. In providing all services pursuant to this Agreement, the parties shall abide by all statutes, ordinances, rules, and regulations pertaining to, or regulating the provisions of, such services, including those now in effect and hereafter adopted. Any violation of said statutes,

ordinances, rules, or regulations shall constitute a material breach of this Agreement, and shall entitle the other party to terminate this Agreement immediately upon delivery of written notice of termination to the other party as provided hereinabove.

SECTION 16. DEFAULT. If either party fails to perform any of the terms and conditions of this Agreement for a period of sixty (60) days after receipt of notice of such default from the other party, the party giving notice of default may be entitled to seek specific performance of this Agreement. The parties each acknowledge that money damages may be an inadequate remedy for the failure of performance and that the party giving notice is entitled to seek an order requiring specific performance by the defaulting party. In the event that such an order is sought, each party shall be responsible for its own costs and expenses so incurred, including all attorneys fees, if applicable. Failure of any party to exercise its rights in the event of any breach by another party shall not constitute a waiver of such rights. No party shall be deemed to have waived any breach by another party unless such waiver is reduced to writing and executed by the waiving party. Such written waiver shall be limited to terms specifically contained therein. This Section shall not prejudice the right of any party to seek any additional remedy at law or equity for any breach hereunder.

SECTION 17. SEVERABILITY. If any one (1) or more of the covenants or provisions of this Agreement shall be held to be contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or

shall for any reason whatsoever, be held invalid then such covenants or provisions shall be null and void, shall be deemed separable from the remaining covenants or provisions of this Agreement, and shall in no way effect the validity of the remaining covenants or provisions of this Agreement.

Attachments:

- Exhibit "A" - Designated Facilities
- Exhibit "B" - Fees and Payments

EXHIBIT "A"
DESIGNATED FACILITIES

Designated Facilities under the terms of this Agreement shall be:

- 1) The Seminole County Osceola Road Landfill located at 1930 East Osceola Road, Geneva, and
- 2) The Central Transfer Station located at 1950 State Road 419, Longwood, Florida 32750.

The Seminole County Osceola Road Landfill accepts solid waste, yard waste, construction and demolition debris, tires, and white goods.

The Central Transfer Station accepts solid waste, yard waste, and recyclables.

Citizen delivered household hazardous waste is accepted at the Central Transfer Station.

The Seminole County Osceola Road Landfill and the Central Transfer Station do not accept biological or biomedical wastes.

EXHIBIT "B"
FEES AND PAYMENTS

Seminole County Solid Waste Disposal Fee: (per County Rate Resolution)	\$33.17 per ton
Municipal Customer Recyclables Disposal Fee:	No Charge
Environmental Administrative Revenue Share	\$3.00 per ton

The COUNTY shall pay an Environmental Administrative Revenue Share of \$3.00 per ton directly to the CITY. The payment shall be based upon the tonnage of commercial solid waste and residential solid and yard waste delivered to the Designated Facilities by the CITY or the CITY's contractor.

Recycling Revenue Share: **varies**

The COUNTY shall pay directly to the CITY a revenue share based on the COUNTY's contract for recyclables processing as provided below:

The COUNTY shall pay CITY Customer a per ton rate equal to the revenue that the COUNTY receives less a \$20 per ton processing fee. The revenue share shall be based on the COUNTY's recycling contract. At the expiration of the COUNTY's recycling contract, the COUNTY and CITY shall negotiate a revenue share for Recyclable Material based on the COUNTY's next recycling contract. The COUNTY shall advise the CITY as to the status of negotiations. The COUNTY shall consider any written input received from the CITY during the course of such negotiations in order to provide benefits and advantages resulting from such negotiations to both parties.
