BACKGROUND:

SB 2108, approved by the 2009 Florida Legislature, authorized county governments to increase the court facility fee surcharge on noncriminal traffic infractions or violations from \$15 to \$30. Seminole County's Article V mandate for maintaining court facilities was reported at \$8.9M in FY 2007/08. These costs included security, leases, janitorial, utility costs, debt service, etc.

The current \$15 surcharge generates approximately \$1.15M, down \$100,000 from prior year collections. The increase from \$15 to \$30 would generate an additional \$1.15M for a total of \$2.3M in court facility revenue. The additional revenue will help offset the \$7.75M unfunded General Fund mandate associated with maintaining court facilities.

STAFF RECOMMENDATION:

Staff recommends Board authorization to schedule and advertise a public hearing to be held at 1:30 P.M. on August 25, 2009 for the purpose of amending Seminole County Code 50.1 "Traffic Infraction and Citation Surcharge" increasing the surcharge from \$15 to \$30 for the maintenance of court facilities.

EXTENSION: 7176

DESCRIBE PROJECT/PROPOSAL:

Amendment to Seminole County Code, Section 50.1 increasing the Traffic infraction and Citation Surcharge for the funding of court facilities from \$15 to \$30

DESCRIBE THE DIRECT ECONOMIC IMPACT OF THE PROJECT/ PROPOSAL UPON THE OPERATION OF THE COUNTY:

SB 2108, approved by the 2009 Florida Legislature, authorized county governments to increase the court facility fee surcharge on traffic infractions or violations from \$15 to \$30. The cost to Seminole County of maintaining court facilities to include security, leases, janitorial, utility costs, debt service, etc. was reported at \$8.9M in FY 2007/08. The surcharge increase from \$15 to \$30 would generate an additional \$1.15M for a total of \$2.3M in court facility revenue.

DESCRIBE THE DIRECT ECONOMIC IMPACT OF THE PROJECT/ PROPOSAL UPON THE PROPERTY OWNERS/TAX PAYERS/CITIZENS WHO ARE EXPECTED TO BE AFFECTED:

The economic impact to an individual cannot be determined. Currently \$71 is added to a \$30 failure to wear seatbelt infraction for a total cost of \$101, the proposed change would increase the cost of this infraction to \$116.

IDENTIFY ANY POTENTIAL INDIRECT ECONOMIC IMPACTS, POSITIVE OR NEGATIVE WHICH MIGHT OCCUR AS A RESULT OF THE PROJECT PROPOSAL:

Current court facility revenue does not cover the cost mandated of maintaining court facilities. That burden will only increase as buildings age, the increased revenue will help minimize the General revenue impact of court facilities and help with future repairs.
